

Building Block and Lot List in the Gowanus Business Rezoned Area

Chart A, below, is provided as a reference and lists the Block and Lots affected by the Gowanus Neighborhood Plan, adopted on November 23, 2021. The New York City Zoning Map is the official record of a property's zoning district and is available at <https://www1.nyc.gov/assets/planning/pages/zoning-index-map/index.html>.

The index sections relevant for the Gowanus Business Rezoned Area are: **16c, 16d**

To identify a property affected by the Gowanus Business Rezoning and eligibility for a grant:

1. Identify the Borough, Block and Lot (BBL) at: [ZoLa NYC's Zoning & Land Use Map](#)
2. Look for the corresponding Block and Lot below in Chart A.
3. If the BBL is on Chart A, the property is affected by the Gowanus Neighborhood Plan. Look across the row that is labeled as "New Zoning District as of November 23, 2021" to identify the property's New Zoning District.
4. Next, to identify if the business use on the property is permitted in its New Zoning District, go to [Zoning District Guide](#). This site lists the different types of uses or business activity permitted in BBL within the New Zoning District and the districts in which the use is permitted.
5. Select the appropriate tile (e.g. Commercial vs Manufacturing Districts) to find the use for the business on the property and identify if the use is permitted in its New Zoning District.
6. If the business' use is **not permitted** in its New Zoning District, the Applicant may be eligible for a grant.

Additional information about zoning is available from the Department of City Planning Zoning Help Desk: 212-720-3291. Further information about eligibility for the grant is available from DSBS.

CHART A

If you believe your property is eligible for this grant program and is not listed below, please contact DSBS to determine eligibility.
